Title Invention: Robust diameter-controlled optical fiber during optical fiber drawing process

Dear Sir/Madam:

Thank you for your sending me the Filing Receipt mailed on 12-06-2001.

After my reading, I found one error on this Filing Receipt. Following your advice mentioned in the receipt, I am enclosing a copy of this Filing Receipt with the change noted thereon.

The error is in the Title Invention. In the Filing Receipt, Title "**Robust diameter-controlled optical fiber during optical drawing process**" should read "**Robust diameter-controlled optical fiber during optical *fiber* drawing process**". The "fiber" was missed in the Filing Receipt.

Thank you for your assistance and making the correction. I am looking forward to receiving a correct Filing Receipt.

Should you require any additional information, please feel free call me at (704) 503-0747. Again, thank you for your consideration of my application.

Very truly yours,

Sheng-Guo Wang, Ph.D.  
(704) 503-0747

Enclosure
